# HOBSONS DELIVERY DAYS

Cask beer is a natural product that needs to be in perfect condition for the best experience, therefore we only deliver our casks within 50 miles of our brewery in Cleobury Mortimer. This self imposed 'Cask in 50' helps us ensure that our beer is always enjoyed at its very best.

We deliver to different parts of the region on different days. You will find our distinctive red vans in the area shaded in blue on Tuesdays, shaded in orange on Wednesdays, shaded in green on Thursdays and shaded in Purple on Fridays. If you have any questions regarding when we deliver to your area please give us a call on Tel: (01299) 270837. Unfortunately we can't specify a delivery time but we do our best to cater to your requirements.
